

We want to hear from YOU!

CWA

The pandemic has made it hard for us to connect with each other. We want to hear from you about how things are going, what's important to you as a worker, and what you think our union should fight for.

1 As a worker in today's economy, how would you rate your satisfaction, if 1 is "Conditions are terrible and huge changes are needed" and 5 is "Things are great and couldn't be better for America's workers"?
