

# CWA PAF = BIG WINS FOR PUBLIC SECTOR WORKERS!

When it comes to politics, we can't compete dollar for dollar with big corporate donors - but **we have strength in numbers**. Every dollar contributed to the CWA Political Action Fund builds power for our members, our families, and our future.

## Local 1180 Equal Opportunity Employment Victory

With the help of several elected officials, we finalized a hard-fought victory in the Equal Employment Opportunity case, awarding millions of dollars in back pay and pay increases to 1,600 Local 1180 members and retirees who had been victims of pay discrimination (2019)

Here's just a few more of our recent victories thanks to our PAF:

- ✓ **2023: Ending Mandatory Fees for SUNY Grad Workers**  
Funding in the NYS Budget to put an end to the crushing fees that SUNY graduate workers - members of CWA Local 1104 - have been forced to pay.
- ✓ **2023: Continued Funding for the CUNY School of Labor Studies**  
Funding to support one of the only public university programs focused on labor so they can continue to grow enrollment and educate the next generation of workers
- ✓ **2021: The NY HERO Act**  
Strengthening worker protections by creating new health and safety standards during airborne infectious disease outbreaks, giving workers a stronger voice on the job, and holding employers accountable for dangerous workplaces.
- ✓ **2021: Raising revenue to protect public sector jobs**  
Raised \$4.3 Billion in new, progressive, annual revenue by ending tax breaks for the rich and to fund our public services.

**We can't use union dues for political purposes, but with your contribution to PAF we can build real political power.**
