CWA is taking on anti-worker politicians and their corporate donors to stop runaway inequality and build an economy that works for everyone.

CWA PAF is your chance to have your voice heard at all levels of government. Your voluntary contribution goes toward defeating anti-worker politicians and electing candidates who have committed to fight for our rights as workers.

WHAT IS THE POLITICAL ACTION FUND?

The CWA Political Action Fund (PAF) is a non-partisan political action committee that fights for workers' political power.

Together, we will continue to fight to:

- **Strengthen worker power** by passing legislation like the *PRO Act* and the *Public Service Freedom to Negotiate Act* that will make it easier for private and public sector workers to organize unions and bargain fair contracts.
- **Build a fair democracy** by passing legislation like the *For the People Act* so our government serves the people, not just wealthy and corporate interests, and everyone can exercise their right to vote.
- **Protect good, union jobs** by stopping offshoring and outsourcing of work.
- **Ensure the tax code works for everyone** by making the super-wealthy and corporations pay their fair share.
- **Ensure quality, affordable internet access to all**, built by union workers.

CWA Political Action Fund is how we have won victories across the country!

- We elected President Joe Biden who has been the most vocally pro-union president in decades.
- We took back the Senate by electing two pro-union senators in Georgia.
- The *PRO Act* and the *For the People Act* have passed in the House of Representatives.
- Since 2019, six states have passed laws with bi-partisan support to stop corporations from sending call center jobs overseas.
- The *American Rescue Plan* was signed into law by President Biden, providing COVID-19 relief to workers and working class families.
- Stopped the job-killing Trans-Pacific Partnership trade deal by leading a coalition of groups that exposed the risks that the agreement posed to our jobs.

Yes, I want to build power for working people.

Every dollar you give to CWA PAF is put to work building political power for you, your family, and your future. Through PAF, CWA will have the strength we need to elect pro-workers legislators and fight for issues that matter to us.
