

UNITED FOR A FAIR CONTRACT!

Over 10,000 members signed the petition to demand a fair contract for NJ State Workers.

Nearly 300 members marched through Trenton to deliver our petition to the Governor's office.

Hundreds more staged worksite demonstrations.

We've buttoned up, taken solidarity photos, trained new shop stewards, and **mobilized**.

In every department, every local, every inch of this state:

We Are CWA Strong!
