SEASON'S
GREETINGS

from CWA!

Happy holidays from CWA District 1! We want to take a moment to send you our warmest wishes for the New Year, and reflect back on the amazing and extraordinary year that we've had, full of growth, big wins, and a whole lot of hard work strengthening our union.

We were part of a massive labor movement this year that fought for—and won—fair and just contracts across the country. We signed up new members, fought back against outside forces trying to weaken our union, and sent a message to the boss that **we are CWA Strong!**

As with any new year, 2024 will bring new challenges and issues—but we will stand together to take them on. For now we hope that you and your loved ones enjoy this holiday season, and know your union family will be right here with you each day, in 2024 and beyond.
