

Together, we will fight to:

- **Protect jobs** in our communities and end incentives to offshore work.
- Strengthen workers' rights by defeating right-to-work (for less) laws and passing legislation that empowers workers organizing their workplaces.
- Advocate for a fair tax code, ensuring the super wealthy and corporations pay their fair share.
- Strengthen our democracy to ensure everyone has equal access to voting and corporations can no longer buy elections.
- Ensure new trade deals are solid, with strong labor standards and enforcement, environmental safeguards, and protection against drug company monopolies.

CWA Political Action Fund is how we win!

- Ten states passed laws to stop corporations from sending call center jobs overseas.
 - The U.S. House passed the Protecting the Right to Organize (PRO) Act to strengthen workers' right to organize and bargain and impose real penalties on companies that break the law.
 - We defeated so-called "right-to-work" legislation in Missouri and Michigan.
 - We utilized political support to help win strikes at Verizon, AT&T Southeast, and elsewhere.
 - We led an international coalition to successfully defeat the anti-worker TPP supported by multinational corporations.
 - Enabled Medicare to negotiate the prices of prescription drugs, saving seniors an average of \$800 per year.

Every dollar you give to CWA PAF is put to work building political power for you.
