

CWA Local 1104 Graduate Student Employees Union

UPDATE

SUNY AND RF SAY SUPERVISORS MUST STAY NEUTRAL

**GOOD
NEWS!**

SUNY and the Research Foundation have agreed to remain neutral and not interfere or take a position at all on our union election.

They have instructed all supervisors and administrators to refrain from talking about the union in meetings or one on one conversations, and in no way discourage anyone from forming a union.

If asked about the union, admin or PI's should encourage Postdocs to speak with each other or the union representatives!

Have questions? Speak to one of us on campus, or CWA organizer Leslie Fine at lfine@cwa-union.org or (973) 476-7139.
