PROTECTING THE RIGHT TO ORGANIZE

The Protecting the Right to Organize (PRO) Act (H.R. 842/S. 420) is the single most comprehensive set of labor reforms in decades. The U.S. House of Representatives has already passed the bill - now we need to get it passed in the Senate!

Our current laws keep the balance of power tilted in favor of CEOs and the super rich, but the PRO Act will:

✔ Make it easier for workers to form unions
✔ Eliminate obstacles for workers to get their first contract
✔ Ban permanent replacement of striking workers
✔ Prevent the misclassification of workers as independent contractors by employers in order to deny them union rights
✔ Fight back against anti-union "right to work" laws
